**Boomerang's Safety Statement**

*"This Safety Statement is aimed at protecting our employees from workplace accidents and ill health. It is our programme for managing health and safety. We will provide a safe work place for employees, the necessary protective equipment, as well as information, training and supervision. The statement is available to our employees, outside contractors and inspectors of the health and Safety Authority. We will update it as necessary and it will be revised at least once a year."*

### Employees shall:

1. Familiarise themselves with and always conform to the company's Safety & Health and Welfare policy.
2. Submit themselves to any reasonable tests by a competent person in connection with **intoxicants**.
3. Attend Training that may be reasonably be required by the employer.
4. Observe all safety rules and take responsible care for his own safety, health and welfare and that of any other person who may be affected by his acts or omissions whilst at work.
5. Co-operate with Sinead Maher and any other person to such extent as will enable Sinead Maher or the other person to comply with any of the relevant statutory provisions.
6. Report to Sinead Maher without delay, any defects in plant equipment, place of work or system of work which might endanger safety, health or welfare of which he becomes aware.
7. Use all correct tools and equipment for the job, with all appropriate safety devices.
8. Having regard to the Instructions given, they will make correct use of machinery, apparatus, tools, dangerous substances, transport equipment and other means of production.

## Boomerang Safety Statement

9. Where Personal Protective Equipment (PPE) is provided, will make full and proper use of such equipment and use it in accordance with any instructions provided.
10. They will take reasonable steps to ensure that such equipment is returned to storage or to a safe place after use.
11. Report to Sinead Maher, without delay, all accidents and damage without delay whether persons are injured or not.
12. Direct suggestions to improve safety, health and welfare to those responsible for it.

### **Employees Shall Not**

1. Intentionally or recklessly interfere with or misuse any appliance, protective clothing, convenience, equipment or other means or things provided in pursuance of any of the relevant statutory provisions or otherwise, for securing the safety, health and welfare of persons arising out of work activities.
2. Engage in improper conduct or behaviour that may be dangerous to themselves or others.

### **General Notes:**

1. Hazardous Waste: Boomerang Skips & Recycling is not permitted to collect or handle any class of hazardous waste. If any Hazardous items are identified during a collection the client will be informed and asked to remove item from the skip. Where possible we will advise the client of the proper procedure to deal with the item correctly.
2. This safety statement will be updated as required and otherwise will be reviewed on an annual basis by Sinead Maher.
3. All staff will be supplied with a copy of this document and will have to sign a training record to state that they have read and understand this safety statement.
4. While Boomerang are ultimately responsible for ensuring a safe work environment and providing adequate training and information, employees also have responsibilities and a duty of care to themselves and of any other person who may be affected by their acts or omissions whilst at work.
5. Any accident or incident must be communicated to Sinead Maher so that it can be recorded in the company diary
